Cardiology

Prettyhealth has one of the largest Cardio care programs in a community academic hospital in the GTA (Greater Toronto Area), and provides treatment for many types of CVD, including heart transplant, open heart surgery, angiogram prostate, gynecological and urinary.

Prettyhealth General is constantly thinking and going beyond for our patients, our community and our people. As people and communities change, Prettyhealth General will continuously evolve to meet their needs. We are driven to achieve the promise of people-centred care - to create a welcome and inclusive environment that contributes to health equity.

Enhancing the patient and family experience

We work to ensure our patients receive the highest standard of cancer care. All patients receive care guided by best practice standards of Cardio Care. These practices have been shown to provide the best patient outcomes. Patients and their families can quickly access a diverse range of cancer care services, including these facilities:

- ✔ The BMO Breast Diagnostic Clinic, part of the Karen, Heather & Lynn Steinberg Breast Centre
- ✔ The Baruch/Weisz Cardio Centre
- ✔ Freeman Centre for the Advancement of Palliative Care
- ✔ Gale and Graham Wright Prostate Centre

Patients supported by dedicated team of experts
